This updated FY 2025 Monthly and Year-to-Date Service Utilization Summary for services through February 2026 is being provided as part of ongoing grant closeout activities. Although a report for the same service period was shared in April 2026, the current report reflects the most up-to-date information available as of 5/11/2026. Some monthly and corresponding year-to-date service unit totals decreased due to disallowed services identified during the closeout review process. The total unduplicated year-to-date client count remains unchanged.
